

Dan White, Lorie Wood, Kate DeFrancisco, Nicole Awalt, Brad Brekle, Eve Seib, Lori Stillwell, Sara Hanlin, Jacob Green, Susan Schaetzle, and Kristin Peterson.

Meeting started at 10:06 CST on October 25, 2017.

Logistics: (Jacob)

We are all set on logistics and have signs for the parking lot at the stadium to help people find lot H. We have 115 registered and 57 signed up for the after-hours party.

Technology and Communications: (Kristin)

The announcement on where to park (Lot H, West Club Entrance on river side of the stadium) will go out by email on October 30. We will reiterate the jersey/boots option in that email as well. BOD ballots will go out on November 1.

Programs: (Lori)

We are all set on programs. Lori is picking up the programs on Wednesday from the printer and we will have a "dry run" at the stadium on November 1 at 2:30 pm. Anyone who can attend and wants to do so, please join in on the dry run.

On CRP/SHRM credits, we will send credit information to all participants by email after the event, in lieu of having hard copies on site. Sponsorship closes on October 23, with an email going to all sponsors on October 27. Registration closes on October 27.

Community Outreach: (Sara)

Attendees can pay \$10 to wear jerseys/boots. We will have a raffle: 1 ticket for \$10, 3 tickets for \$20, or get a ticket free if you ask a question to the keynote speaker. We will have a table with tablecloth near the entry for this. Jacob will check on an easel (Chris may have one). We will also have small drawings during the day to get people back in their seats after a break.

Sponsorship: (Brad)

Brad will double check to make sure that he has the small signs indicating the sponsors and he will get signs for the new sponsors made. He is also handling the sponsorship ribbons and name badges.

Anniversary: (Lorie and Kate)

We are good to go. Let's remember to talk it up during the day, so that people show up in the evening. Drinks are included in the admission price to some extent and we will shut that off when we have reached our budget on that.

Committees: (Lorie)

We will have committee updates throughout the day and Lorie will let us know before it is our turn to speak so that we have a little time to get ready.
